LENDY COWES WEEK 2019 NOTICE OF REGATTA

WELCOME

FROM LAURENCE MEAD - REGATTA DIRECTOR, COWES WEEK LIMITED

The team at Cowes Week are delighted to be able to release the Notice of Regatta for 2019. Last year we were able to give most classes plenty of variety, which included beating up the green, spinnaker finishes off the Castle and some committee boat starts, and that is certainly our objective every year. Cowes Week should be a demanding mix, testing all of the skills of boat racing, and we are already working towards delivering on that again in 2019. It's much more than just another windward leeward race, and wherever you are in the fleet, it will be both challenging and, we hope, fun!

We will be running the HP30 National Championships within the week as well as offering a mini-series for the J70 class, and with growing numbers in the Cruiser class, we hope to run four divisions in 2019 to keep the boat sizes more closely aligned. We will also be tightening up on the definition of which boats race in this class, to make sure it remains a true cruiser division.

We are additionally introducing a new class for 2019 called "GRP Classics". This class is for unmodified production boats designed and first built before 31st December 1974, with a hull length between 29 and 43 feet, who want fun and competitive racing under the IRC rating system.

You may have seen in the press that we will also be hosting the SailGP foiling 50 catamaran circuit on the first Saturday and Sunday of Cowes Week. Our racing will adapt around their race schedule (15:00 to 17:00) and this will be an amazing opportunity for everybody to see some of the very fastest boats in the world, right off the green. There will be much more in future publications about the logistics for this but we are looking forward to an amazing regatta both on and off the water. SailGP will add to the spectacle and, I believe, make Cowes Week 2019 a must-attend week.

Entry fees have been held at last year's level and there are some reductions on the costs of harbour moorings for the White Group boats. As the only true Solent wide gathering, we want Cowes Week to be the first date in everybody's sailing diary, and are working to make it the very best week of racing and social get-togethers that we can.

Finally the Cowes Week prize giving will be held on Friday night (the Cowes Week points series will end on Friday for all classes, not just Black Group) and racing will continue on the final Saturday for the Cowes Town Regatta trophies, with a prize giving later that evening.

If you have any questions, please use the Ask Laurence forum on our website or contact me directly at: laurence.mead@lendycowesweek.co.uk

I hope we will be able to welcome you to Lendy Cowes Week 2019.

3.6.2 New ratings or changes to a rating will not be accepted after the time stated in 3.6.3 unless the change is:

- a. Due to an error made by CWL, RORC, UNCL MOCRA or ISC. In this case, the rating shall be corrected for all races. For errors made by CWL where a rating would drop if corrected, boats must request a correction within 24 hours of registration (when they receive a list of entries and ratings).

12.2 Class Flags

- Class flags as shown in Tables 2 and 3 shall be displayed by all Black and White Group boats unless specific dispensation has been given in writing by CWL.
- Class flags shall be of the following minimum sizes:
 - For White Group boats 200mm x 150mm.
 - For Black Group boats either 300mm x 230mm for rectangular flags or 610mm x 150mm for numeral pennants.

12.3 Sail numbers

All boats are required to display their sail number on their mainsail and, unless their class rules prevent them from doing so, on their spinnaker. Dispensation may be granted by CWL at its sole discretion. Sail numbers should be in suitable contrast to the sail as to be visible to the race committee.

12.4 Sail number dodgers

- a. As well as sail numbers described in 12.3, all Black Group boats are required to display a sail number dodger on their approach to the finish and for at least two minutes after finishing.
- b. The numerals and suffix letters shall be at least 375mm high for boats of 8.5m or greater LOA, and at least 300mm high for boats less than 8.5m LOA. The dodger does not need to include national letters.
- c. Alternatively, equivalent sized sail numbers with suffix letters may be displayed on both sides of the hull, with the top edge of the numbers not more than 200mm below local deck level, in such a way and in suitable colour(s) as to be visible to the race committee.

- c. Alternatively, equivalent sized class-distinguishing numerals or letters may be displayed on both sides of the hull, forward of the shrouds, with the top edge of the numbers not more than 200mm below local deck level, in such a way and in suitable colour(s) as to be visible to the race committee at all times while racing.

12.6 Dispensation

14 DECLARATION

- 14.1 By entering for a race or races in the regatta, the person in charge of each boat confirms that they will comply with the Racing Rules of Sailing.

15 RISK STATEMENT

Rule 4 of the RRS states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- a. They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- b. They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- c. They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- d. Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e. The provision of a race management team, patrol boats and other officials and volunteers does not relieve them of their own responsibilities;
- f. The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
- g. It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefings held for the event.
- h. They are responsible for ensuring that their boat is equipped and seaworthy so as to face all weather conditions that might be experienced during the event, that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.

16 INSURANCE

The boat is required to hold adequate insurance and in particular to hold insurance against third party claims including cover for racing in the sum of at least £3,000,000 sterling (or near equivalent in foreign currency).

By entering, entrants declare that such cover will be maintained in full force throughout the regatta and agree to allow CWL, at its discretion, to pass on their contact details to third party insurers in the event of a possible insurance claim.

17 RYA CHARTER

Competitors should note that Cowes Week Limited implement the RYA Racing Charter and that competitors will be required to undertake to sail in compliance with the Charter, which can be found at the front of the RYA rule book (Racing Rules of Sailing 2017-2020) or at www.rya.org.uk/racing/charter.
